

# Living Accommodation

Client:  
**Dwellpod Campus**

Site location:  
**Allington WTW**

Contract Value:  
**£750k**

## Brief:

The increasing demand for high quality living accommodation that can be used for both families and single living spaces has driven the development of the Dwellpod Campus. The accommodation can be deployed at short notice and is easily relocatable. Maxi Space manage the process from concept design, planning permission, delivery / installation to operate and removal at the end of the contract giving clients the flexibility to procure on a rental basis.

## Delivery & Installation:

The entire project was completed in 24 Weeks.
