

Board Room & Visitor Centre

Client:

Billericay Visitor Centre

Site location:

Billericay

Contract Value:

£55k

Brief:

Maxi Space's expansion required a customer showroom to demonstrate our products in action. Our Billericay visitors' centre is built using the +Plusline system in order to showcase the higher build quality and level of finish both internally and externally.

Delivery & Installation:

The entire project was delivered, from initial idea to installation and fit out, in 12 weeks.
