

Hazlewood Primary School

Client:

Site location:

Wideopen, Newcastle-Upon-Tyne

Brief:

North Tyneside Council collaborated closely with the Department of Education to identify several local schools with structural issues. One of these schools, Hazlewood Primary, required temporary buildings while repairs were carried out.

Maxi Space was enlisted to supply and install a series of two-storey modular buildings, including 8 classrooms, 4 offices, restrooms, and a staff room.

The Building:

- 2 x storey
- 8 x classrooms
- 2 x staircases
- Restrooms
- Staff room
- 4 x office spaces
- Full ground works

Delivery & Installation:

The new facilities were up and running within 6 weeks.
